

Middle School Policies for 2016-2017

Grading

Quarter grades are based on the following four assignments categories and percentages:

Tests/Projects	40%
Quizzes	30%
Homework	20%
Participation	10%

Homework

Homework is due at the start of class. If homework is not completed on time, the student will be required to serve lunch detention. Late homework will be accepted, and points deducted using the following guidelines:

6th Grade This policy will be for Quarter 1 only. Homework for Quarters 2, 3, 4 will be graded like 7&8 grade.

Late on the same day as due date	90% credit
One day late	75% credit
Two days late	50% credit
Three days late	0

7th/8th Grade

Late on the same day	90% credit
One day late	50% credit
Two days late	0

Extra Credit/Do- Overs

No extra credit will be given to any student.

No do-overs ...if a student receives a poor grade on a test, quiz, or assignment the student will receive that grade. However, the teacher will reteach that concept to that student to be sure they have grasped that concept.

Tardy/Unprepared Logs

Each classroom uses a clipboard log to record tardies and unpreparedness. When a student arrives late, or is unprepared with necessary items for class, they will sign the log. After three "strikes" in the same quarter for the same category, parents will be contacted and the student will serve a lunch detention. Five DTs in one quarter will result in an ISS.

Planner- You will need to purchase one (\$5.00) from Mrs. Moody

Students are required to use a planner to record all assignments. Students must have a parent/guardian sign their planer nightly to acknowledge that assignments have been recorded and completed. Homeroom teachers will check and sign planners daily to ensure that they are being utilized. If a student does not have a parent/ guardian signature for the previous day's assignments, they will sign the unprepared log, and it will count as one of their three "strikes" in a quarter for lunch detention.
