**English 11 Summer Assignment**

**Directions:**

- Research how to interpret an assignment.
- Make an outline of your research (see an example on [https://awc.ashford.edu/PDFHandouts/Writing\\_Tools\\_Outline\\_08.18.2015.pdf](https://awc.ashford.edu/PDFHandouts/Writing_Tools_Outline_08.18.2015.pdf) )
- Do not write full sentences; abbreviate your information.
- Include a standard APA references page for sources. **You need to have three sources.**
- Since this is not a sentence outline (key words only), add the parenthetical citation after each set of words. Synthesize the information from the three sites so that you do not have a citation for every line.

**How to start:**

1. Start with a google search, “how to interpret an assignment”.
2. Pay close attention to information or task words (include this in outline).

**Due date is Thursday, September 8.** Assignments that are one day late will be 50% off the grade earned. Assignments two or more days late will receive a zero.

**All assignments should be submitted electronically to [rlydon@finneyschool.org](mailto:rlydon@finneyschool.org). Work will not be accepted in any other format.**

If you have questions, you may email me. I will respond to your email as I am able.
