Payment Methods - Prepay or Cash

Fund your prepay lunch account through FACTS Family Portal financial tab or in the cafeteria lunch line. These funds will be available to all members of the same family. Students may also buy lunch with cash.

Monitoring Your Balance Parents have real time access to account balances and transactions via the FACTS Parent Portal website. Detailed sales can be accessed by clicking the blue Lunch-Prepay account balance link under the FINANCIAL tab on the Parent Portal website. FACTS emails a low balance alert weekly on Sundays when your account falls below \$10. **Report cards may be held for negative lunch balances.** Positive year-end balances will be rolled forward to the next year. Balances over \$10 will be refunded to families not returning. Negative balances will be added to incidental billing on June 15.
